BEFORE THE ARIZONA CORPORATION COMMISSION

W-03514A-05-0188

IN THE MATTER OF THE
APPLICATION OF PAYSON WATER
COMPANY, INC., AN ARIZONA
CORPORATION, FOR APPROVAL
OF AN WATER AUGMENTATION
SURCHARGE TARIFF.

DOCKET NO. W-03514A-05-

**NOTICE OF FILING WATER
AUGMENTATION SURCHARGE**

Payson Water Company ("Company") hereby files a proposed Water Augmentation Surcharge Tariff. The tariff would allow the Company to make monthly adjustments to its rates and charges for water service to recover costs incurred for Water Augmentation Costs, including bulk water purchases and transportation, which would be required if a Curtailment tariff is approved by this Commission.

The Water Augmentation Surcharge shall be calculated by dividing the total Water Hauling Costs incurred in a given month by the amount of water sold that month. The resulting rate per 1,000 gallons will then be multiplied by the gallons used in that month for each customer to arrive at the surcharge per 1,000 gallons. The resulting Water Augmentation Surcharge would then be charged in the next month's billing cycle as a separate line item on the customer's bill.

Imposition of this surcharge will have no impact on the rate of return realized by the Company.

WATER AUGMENTATION SURCHARGE

Payson Water Company ("Company") is authorized to make monthly adjustments to its rates and charges for water service to recover costs incurred for bulk water purchases and transportation ("Water Augmentation Costs") required by the Company's Commission-approved Curtailment Tariff.

The Water Augmentation Surcharge shall be calculated by dividing the total Water Augmentation Costs incurred in a given month by the amount of water sold that month. The resulting rate per 1,000 gallons will then be multiplied by the gallons used in that month for each customer to arrive at the surcharge per 1000 gallons. The resulting Water Augmentation Surcharge will be charged in the next month as a separate line item on the customer's bill.
